Linksys

Mini USB Adapter

Linksys Wireless-AC Mini USB Adapter AE6000

Dual-Band AC430 + N150

The Linksys Wireless-AC Mini USB Adapter can connect and upgrade your devices to the newest, most powerful Wireless-AC technology. Experience high performance HD Video streaming or super-fast file sharing at speeds up to AC 430Mbps when you select the 5Ghz band, or up to N 150Mbps on the 2.4 Ghz band*.

Key features

- Upgrade devices to Wireless-AC
- High performance HD video and gaming
- Unique mini design for easier mobility

Upgrade

When you select the 5Ghz band you can upgrade your wireless network to the latest AC technology.

Speeds up to 430Mbps*

Experience AC speeds up to 430Mbps when you select the 5Ghz band with this adapter to treat your devices to the latest in wireless technology.

Performance

You can stream HD video whilst someone else is playing games online with high performance wireless throughout your home.

Unique design

The mini design of this adapter provides increased mobility and neatly fits in with all devices with USB ports.

Linksys Wireless-AC Mini USB Adapter AE6000

Dual-Band AC430 + N150

Hardware:

Enclosure Dimensions:
15 x 8 x 35 mm
Weight: 4 g
Colour: Black
Packaging Dimensions:
241 x 190 x 76 mm

Technology:	Wireless-AC**
Bands:	2.4G 11 b/g/n up to 150 Mbps and 5G 11 a/n/ac-80MHz up to 430 Mbps
Transmit/receive:	1 x 1
Antennas:	1 internal
Wi-Fi Protected Setup	Wi-Fi Protected Setup push button
LEDS	Power Activity
Software:	Setup software for windows
Setup:	WPS or CD install
Warranty:	2 year hardware limited warranty
OS compatibility:	Windows

Wireless:	IEEE 802.11 b/g/n compliance
	2.4 GHz, 5.0 GHz (Selectable)
	WEP 64/128-bit, WPA-TKIP and WPA2-Personal & Enterprise (AES/TKIP)
	Wi-Fi Protected Setup (WPS) support
Minimum system requirements:	· PC: Windows XP SP3 (32-bit), Vista SP1/SP2 (32 & 64-bit), Win7 (32-bit & 64-bit) and Win8 (32-bit & 64-bit)
Internet browser requirements:	· Web Browser: Internet Explorer 8, Firefox 8, or Chrome configuration
Package contents:	· Linksys Wireless Mini USB Adapter AC580 Dual Band · CD-ROM with: · Setup Software for Windows · Warranty, End-User License, · User guide · Regulatory documentation · Printed Quick Start Guide

The Linksys Accessories

Linksys Adapter
Upgrade your devices to the latest wireless technology

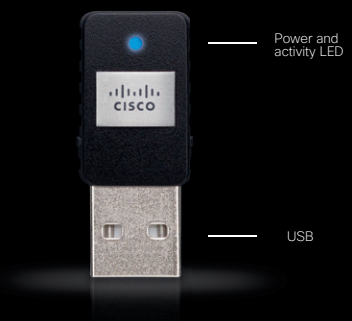
Linksys Range Extender
Increase your existing wireless coverage

Linksys Media Connector
Connect your wired devices to a wireless network

Linksys Network Camera
Monitor your home

Linksys Powerline Kit
Expand Internet coverage with your home electricity sockets

Linksys Switch
Add additional wired devices to your network



Model No.: AE6000-EE

UPC 7 45883 59644 7

EAN 4 260184 661749

*Maximum performance derived from IEEE Standard 802.11 specifications. Actual performance can vary, including lower wireless network capacity, data throughput rate, range and coverage. Performance depends on many factors, conditions and variables, including distance from the access point, volume of network traffic, building materials and construction, operating system used, mix of wireless products used, interference and other adverse conditions.
**Maximum Performance derived from IEEE Standard 802.11 specifications (draft specifications for 802.11ac). Actual performance can vary, including lower wireless network capacity, data throughput rate, range and coverage. Performance depends upon many factors, conditions and variables, including products used, interference and other adverse conditions. 802.11ac 1300 Mbps in the 5GHz Band is approximately 3 x faster than 802.11n 450 Mbps in the 2.4GHz Band. An 802.11ac adapter will be needed to achieve 11ac data rates and up to 1300 Mbps wireless speeds may be achieved when connecting to other 802.11ac 1300 Mbps devices.
